- Square and custom aspect ratios (as mentioned in product listings)
- Up to 26 x 26 inches or larger (check the resolution details of each design)

USE A QUALITY PRINTER OR PRINT SHOP

- Use a professional print shop (local or online)
- Or a high-quality home printer (preferably inkjet with photo paper)
- Choose "Actual Size" or "Scale to Fit" depending on your print 1'

SELECT THE RIGHT PAPER

- Matte paper for a classic, artistic finish
- Glossy paper for vibrant colors and sharper contrast
- Textured art paper or canvas for a gallery-style look
- Cardstock for extra durability if framing without glass

FRAMING ONLINE (OPTIONAL)

Use frames that complement your space and the artwork's tone

Consider floating frames or matted borders for a professional finish

TIPS :

- Always print a test sheet for color accuracy
- Don't enlarge images beyond the maximum resolution provided
- Colors may vary slightly depending on your printer and paper
